BHP Billiton has had a partnership with Heyhoe Surveys spanning the last 20 years. Our principal requirement is for pegging and the legal survey of Mining Tenements, location and pick-up surveys as well as set out for large scale mining engineering works and volume surveys. Heyhoe Surveys provide second to none peace of mind service, accuracy, reliability, confidentiality and trustworthy. I would not hesitate to recommend Heyhoe Surveys for all surveying requirements.

Clive Atkinson
Land Services Manager
BHP Billiton
